STAT

Representative Leo W. O'Brien has referred to us your letter of 13 January 1958 expressing your interest in this Agency and asked us to advise you as to available opportunities.

Budgetary considerations and the fact that we are attempting to reduce our personnel strength are limiting factors and it is somewhat difficult to predict our specific requirements at the time of your expected release. We note that you have earned an LLB degree and should tell you now that an opening for an attorney is unlikely. We would, however, be glad to consider you for other positions which would make use of your academic qualifications and military experience.

Would you get in touch with us as soon as you return to this country. We will send you application forms at that time and, if an appropriate opening then seems likely, arrange for personal interviews.

We appreciate your interest and will be glad to give your application thorough consideration.

Sincerely,

Gordon M. Stewart  
Director of Personnel
